# The UK's no.1 stretch ceiling provider.

We manufacture our own ceilings to ensure we remain the most competitive in the UK.

We have the only dedicated stretch ceiling training centre in the UK that provides training from basic installation all the way up to NVQ level 3 standard. This ensures all our ceilings are installed to the highest possible standard.

With over 20 years' experience in the industry, we are a family run business with a passion for what we do. Small enough to care, but large enough to cope.

We pride ourselves on our quality workmanship and customer care. From the first point of contact through to the finished job and beyond, we are there every step of the way. We provide a full unique customised service from measuring your room, helping with design ideas through to manufacturing and installing your new bespoke ceiling.

ISO 9001:2015 Certified.

A truly one stop shop, dedicated to you.
